

# DID YOU KNOW?

Your mold can be used to create:

## hat labels

Your clients brand name will stand out using the 3D detailed label. We can decorate for you as well.

## apparel labels

Easy to sew or heatseal.  
A nice alternative to embroidery or silkscreen.  
We can also decorate for you.

## keychains

3D plastic keychains  
Finite, laser-like detail

## hang tags

## labeled portfolios

Use the label for all of your bags, portfolios and backpacks.  
A new look! We decorated this for the customer and made the label.

## magnets and stickers

Our 3D look creates a fun magnet or sticker.
