Current Customers:

Military, Government Agencies, Fire, Police, Search and Rescue, Tactical and contractors to the government. Sporting good, uniform companies, glove manufacturers and others who require Berry Amendment parts for their products. Sports teams, medical companies, human resources, event planners, trade show managers and distributors who sell to the promotional production industry.

Common Products that we sell to the above:

Berry component parts for clothing, bags, hats and gloves and tactical gear-2d labels, zip pulls, cuff tabs with Velcro, Velcro patches. Other items are clothing and soft and hard good labels, keychains, magnets, luggage tags, jacket labels, cap labels. Also, 2d heat seal labels, reflective labels, glow in the dark labels. FR or flame-resistant parts.

Other Information:

Rush orders-parts and decoration in days, assembly, drop ship. We can custom blend our material to meet ASTM standards a customer may require. We have a medical grade PVC. No one else has this in the world in our industries. There is a corn ingredient instead of phthalates. Made in San Diego products, not China. Low minimums. Custom parts and R & D help.
